

# “JESUS THE MAN”

## RETREATS FOR MEN

What does Jesus teach us about manhood and masculinity? How can I become a man like him? Times like these call for questions like these.

In 2015, **Coracle** is offering a series of three men’s retreats exploring the life of Jesus as it relates to being a true man to help us become true men. All will be held at **Corhaven** in the Shenandoah Valley and led by Rev. Bill Haley. It is hoped that those who sign up will participate in all three sessions. Materials for reading and reflection will be offered between retreats.
