

# A “Field To Fork” Celebration at Corhaven during harvest...

Saturday, September 20, 3:30pm-7:30pm

Five years ago Corhaven came into being, and there's a lot to celebrate, a lot to thank God for, and a lot of people to thank! We want to celebrate what God has done by hosting a great party for those who have shared this adventure with us, made it possible, and been blessed here.

This year's 'Field to Fork' will be a bit different than past occasions as we expect a bigger party! We will serve some small plates of local and organic food much from the gardens at Corhaven and nearby growers and of course Virginia wine from the Shenandoah Valley, and will supplement that with more substantial fare locally prepared. The new addition to the Woodshop should be completed and we'll offer a first look, as well as see some new kid-friendly additions in the woods. And kids are most welcome! We'll have activities especially geared for them with child-care. They'll have a great time too.

There's no charge for this celebration...we want to say "Thanks!" At the same time, Bill Haley will give a report on the ministry of Coracle and share our upcoming plans and vision. Donations to Coracle of course are appreciated, but in no way required.

**Please register at <http://inthecoracle.org/registration> by September 1** so we can have an accurate head-count to help with meal preparation. Space is limited, **so sign up early**. Email Gabriel Dodd at [gabriel@inthecoracle.org](mailto:gabriel@inthecoracle.org) for more information or with any questions.

**Please come! Help us celebrate! Let us celebrate you. Help us celebrate God!**
