### Disaster of Sindupalchok District 2020

Map of Nepal province No 3 Sindupalchok district

The Sindupalchok District is located in eastern part of Nepal the border of China which is 118km from Kathmandu. This District is known as human (girls) trafficking. As well as lack of education, remote area. Most of the people lacks awareness. On April 25<sup>th</sup> 2015, there were great earthquake and had died more than 3,550 and more than 3,000 people were missing.

### Flood and Landslides of Sindupalchok 2020

Flood

Landslide

July 2020 there were rivers flood and landslide, as July is rainy season. Therefore in China side there were heavy rain. Many houses and lands were swept away and many people died.

Buildings covered by massive landslide

The landslide swept away 22 houses and emptied in the Bhotekoshi river (The China River) The area had been nonstop heavy rainfall. There were 26 people missing in river, in first landslide 39 people were missing in river and ground of landslide then in second landslide 31 people were missing in river and on ground of landslide.

In last of August and first week of September there were other crises that the landslide in two areas of Sindupalchok District. Last week of August, 156 house families have settled under tent as well as in first week of September, 178 house families had survived under tent. The massive landslide exploded from a breakable land—weakened by the 2015 earthquake and its powerful aftershocks—above village and swept away the villages.

People are suffering from starvation everywhere but these people are the one who needs the help, we wanted to help them and we raised some fund from alternative support for crises of these people as love of God.
